

New Year, New Look, Same Mission.

By AMS Todd Ozment

The calendar has changed, the look of this newsletter has changed, some of the leadership in our churches have changed, but the core mission of the Lawrence County Association of Baptists remains the same. **The mission of the LCAB is to be a collaborative network of spiritually healthy churches reaching Lawrence County & beyond for Christ.** Pursuing this mission necessitates three things: spiritually healthy churches, cooperation, and a desire to spread the Gospel in word and deed.

Throughout 2025 the LCAB will work to come alongside to help strengthen churches and pastors, seek to foster intentional cooperation among our churches, and provide opportunities for churches to work together in reaching Lawrence County and beyond for Christ. These goals stem from an understanding that we truly are better together and can accomplish more as a team rather than individually.

In order to see the LCAB be a force for good in building Christ's Kingdom, we need each and every church to commit afresh to working together because an association is what its churches make it. While we are in a season of new things, let us renew our desire to see spiritually healthy churches working together on mission to reach Lawrence County and beyond for Christ. Let us recommit to seeing the good in one another and acknowledging the good that fellowship & cooperation among like-minded churches can bring to advancing the Kingdom of God in Lawrence County and beyond. Lastly, let us prepare to be amazed at the way God works through His church when we honor His call to serve Him together!
